  - g. Chuck Jillison \$ 2,240 for mowing services on the Randolph Town Forest
- III. David DeGruttola from LandVest brought copies of five beautiful and colorful maps of the Randolph Community Forest for the Board's review. The maps had different overlays: Roads and Trails, Roads, Trails and Tax Map, Soils, Forest Type and Harvest History Map in a large 24" x 42" format. These will be dry mounted for display in the town hall and presentations.
- IV. John Scarinza noted that the RMC has been contracted to put up the 12 Road Signs produced in 2017. These will be mounted on 4x4x10' pressure treated posts, dug 3' into the ground. Locations of the signs should be on the "high side," to avoid logging trailers from catching them when making turns.

- V. The Randolph Mountain Club confirmed that it was agreed that The Eye of the Needle View Shed needed some clearing, and the RMC was approved to clear it. This would not be charged to the RCF, as it's part of the existing RMC trail maintenance plan.
- VI. The Randolph Ramble notified the RCF that the event had to be cancelled for 2018. This was a good event, and the RFC hopes to see it revived in 2019.
- VII.

With no further business to discuss, the meeting was adjourned at 7:50 PM. The next meeting will be held Wednesday, November 7, 2018, at 7:00 PM in the Randolph Town Hall.
